

The "Registration_all_courses" PDF has user fields that can be filled in & saved using your computer instead of printing it and filling the fields out by hand. If it's a checkbox, just click on the one you want & if it's a text field just type in the information. As long as you're using Adobe Reader, once you've completed the form you can click on 'File' and either 'Save' / 'Save As' to save it to your hard drive with the information you've entered or 'Attach to Email' & email it back to LMacCPR@sympatico.ca with the information you've entered.
